

# Coat and Glove Drive

The students and staff at Hamilton Community Schools are hoping to lend a helping hand to the less fortunate this winter. This year if you are out doing your Christmas shopping and feel the need to assist others, we have a way you can help. The school is reaching out to challenge students, teachers, parents, and community members to donate hats, scarves, gloves, and even winter coats and shoes/boots. We will have a Christmas tree set up that you can put your items on in the high school lobby located just outside the high school office. We would like to end our collecting on the 21<sup>st</sup> of December. If you know of a community member who is interested in donating items to the drive, he/she may contact Shawn Ray, the school nurse at Hamilton Community Schools at (260) 488-2161. Thank you for helping someone's winter be a little warmer this year.

**This year we really have a need for coats and gloves!**
